What is a School-Parent Compact?

A School-Parent Compact is an agreement between the teacher, student and parent. Each has their own set of responsibilities to ensure student success. The compact highlights our goals here, at Memorial Elementary and the importance of connecting learning at home as well .

Let's Synergize!

A Compact Committee is in place and will be revising the compact every year as needed. The Compact Committee consists of school teachers, parents, administration and community aide.
