Parental Involvement Policy 2020-2021

Memorial Elementary believes that student achievement is directly linked to parental involvement and thus it is our goal to develop and strengthen the relationship between home and school. It is the policy of the school to plan and implement with meaningful participation of parents, administrators, teachers, programs, activities, and procedures for the involvement of parents in its Title I programs, thus complying with the Every Student Succeeds act (ESSA). The following expectations for parent involvement will be implemented:

- ◆ Conduct an annual meeting, at a convenient time, to explain to parents the program, its requirements, and their right to be involved.
- ◆ Offer flexible number of meetings or home visits to facilitate parent involvement.
- ◆ Involve parents in the planning, review and improvement.
- ◆ Provide parents with a system to make inquiries, suggestions, and complaints.
- ◆ Address the importance of communication between teachers and parents on an on-going basis through the use of annual parent-teacher conferences, progress reports.
- ◆ Give parents the compact, which outline how parents, staff and students will share the responsibility for improving student achievement.
- ◆ Ensure effective involvement and maintain a partnership among the school, parents, and community by: Providing assistance to help them understand the national goals, state content and student performance standards, assessments, and information related to education of their children.
- ◆ Work with the community, organizations and businesses to build better communication between them and the school.
